

A large, stylized orange graphic resembling a thick, slanted letter 'X' or a cross is positioned on the left side of the page, extending from the top left towards the bottom center.

SIMULATE TO INNOVATE

WHO ARE WE?

Our expertise

composites
fluid dynamics
structural design

Our locations

Our team

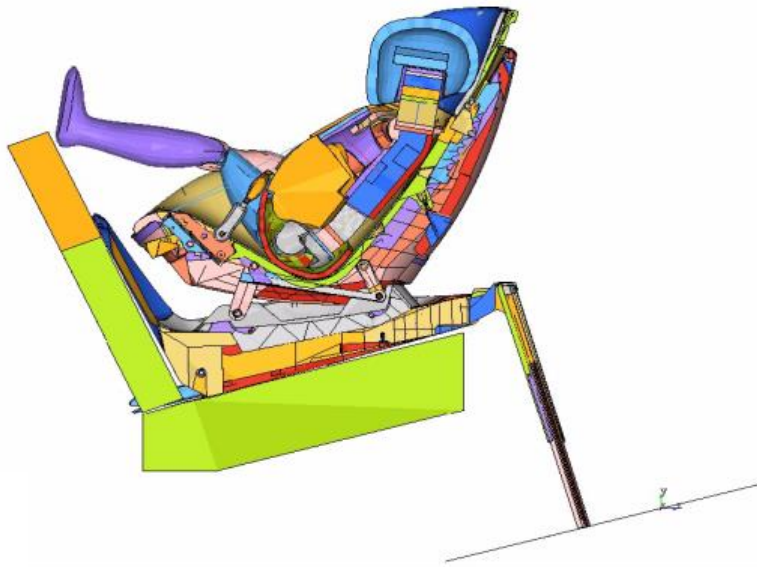

SIMULATION REQUESTS

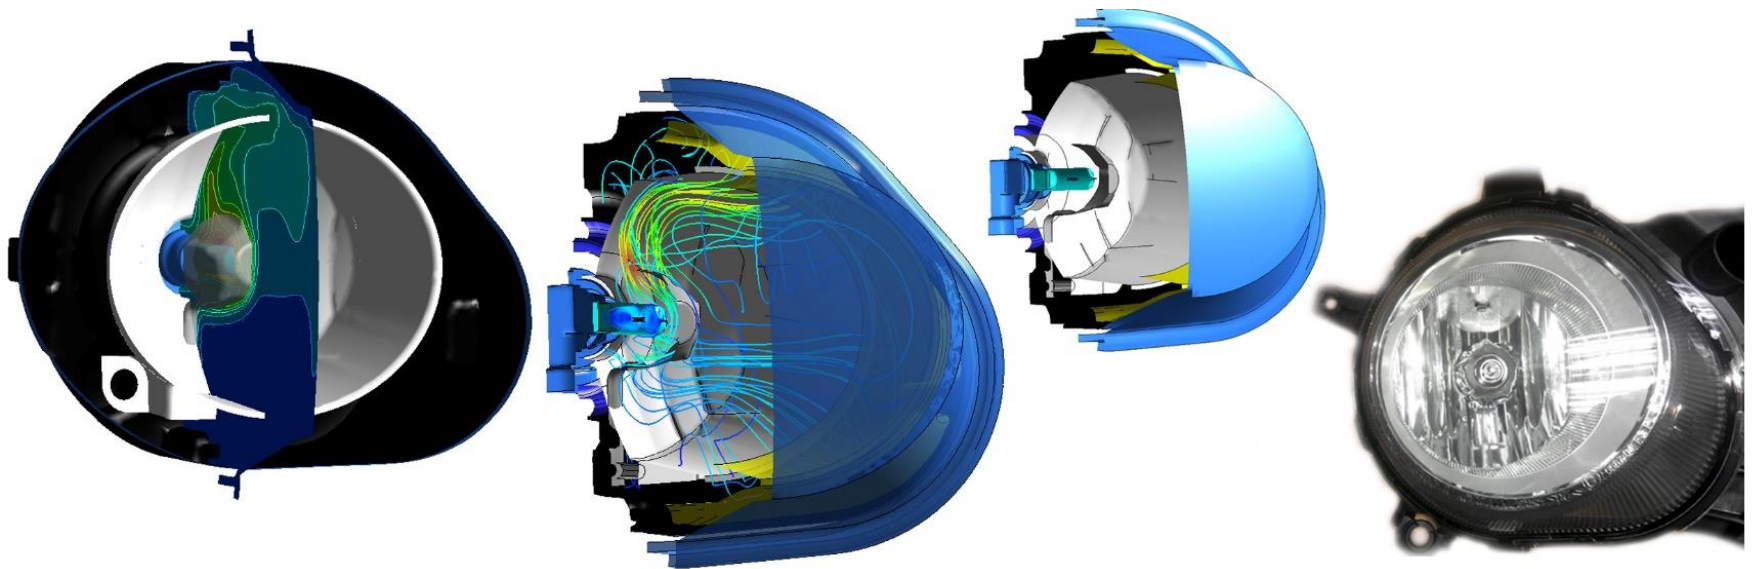

Safety regulations

“My product has to meet high demanding standards regarding safety.”

Redesign and improvement

“I want to redesign my product and improve the quality and performance.”

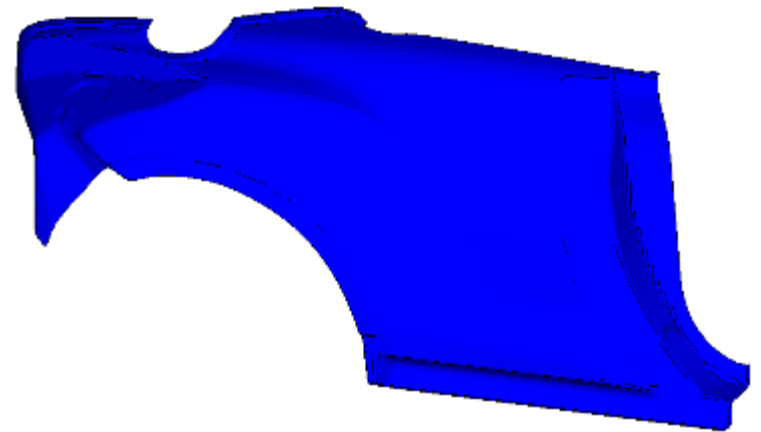

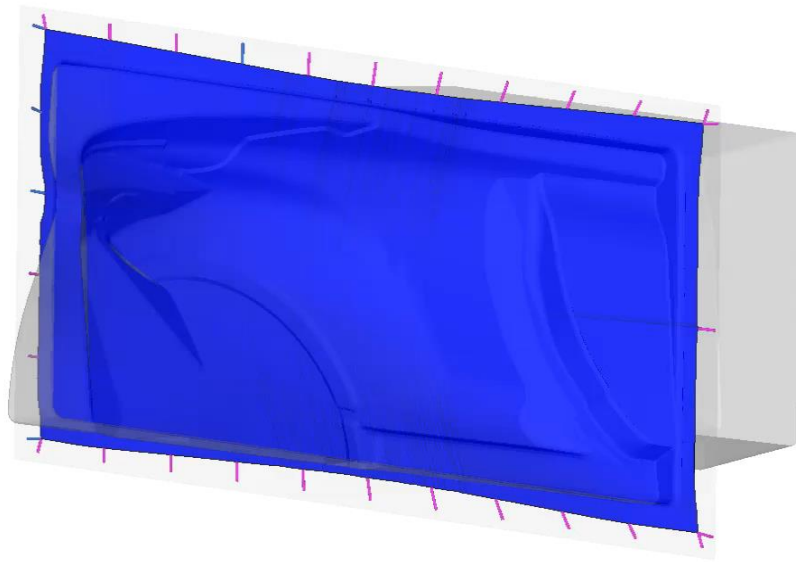

Weight optimisation

“How much weight can be reduced by using topology optimization?”

Tool design

“How should I design my tooling for 3D forming of organoblech?”

OUR ADDED VALUE

Key performance indicators

best product quality

time to market

30%

50%

physical prototyping and testing

60%

development iterations

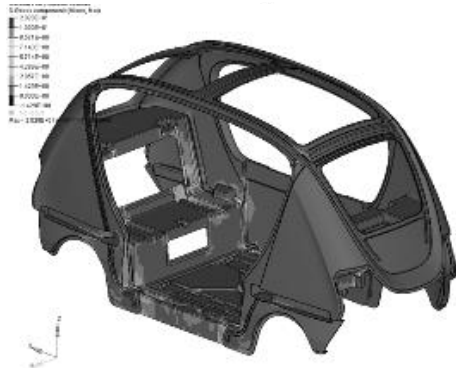

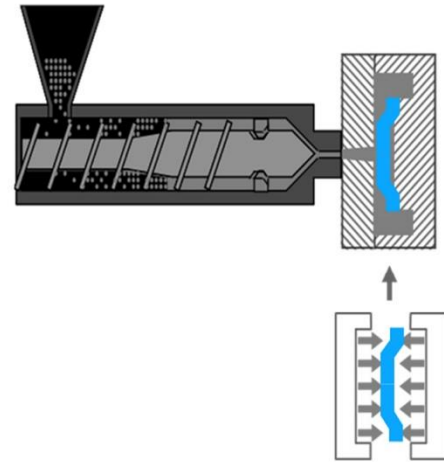

AZL PARTNERSHIP

Knowledge through projects

Knowledge through projects

Business through networking
